# The Committee of 300's shadow government banking syndicate.

# Is this a Nazi-continuum money laundry?

# Documentary evidence of British Royal Family approval and signature?

**The Hongkong and Shanghai Banking Corporation**

**(London, UK and Hong Kong, PROC)**

# Account no. 056710526780 2012

**with account name of**

# White Spiritual Boy

**and with standing balances per account worth**

# US$ 1,030,000,000,000,000,000

**(One thousand and thirty quadrillion US Dollars)**

**with reconfirmed and reconsidered matured earnings**

**audited by the Financial Institution of**

# The Committee of 300

**for the month of January to April 2010 ....**

The official audited text above is part of paragraph 132 on page 18 (**here**) of a Committee of 300 élite

**Secret Government document signed on Wednesday 10th February 2010 on page 106 (**here**). Page 19 of this same document can be viewed **here**.

The three signatories on the document were H.E. President **Robert Zoellick** (President of The World Bank), H.E. Vice President **Lars Thunell** (Executive Vice President and CEO of the International Finance Corporation) and HM Queen Alexandra **Elizabeth Mary Windsor** II (Chairman of The Committee of 300, The British Royal Family).

The full text of Paragraph 132 flagged in the yellow panel above reads as follows: "The Hongkong and Shanghai Banking Corporation (London, UK and Hong Kong, PROC) Account no. 0567105267802012 with account name of White Spiritual Boy and with standing balances per account worth US$ 1,030,000,000,000,000,000 with reconfirmed and reconsidered matured earnings audited by the Financial Institution of the Committee of 300 for the month of January to April 2010 worth of US$ 434,000,000,000,000,000 in the total of US$ 1,464,000,000,000,000,000 (US$ 464,000,000,000,000 had deducted automatically for bank charges and services for the first quarter of audit maturity) in the net balances of US$ 1,000,000,000,000,000,000."

The five sums of money detailed in this single auditing rubric can be expressed as one thousand and thirty quadrillion US Dollars, four hundred and thirty four quadrillion US Dollars, one thousand four hundred and sixty four quadrillion US Dollars, four hundred and sixty four trillion US Dollars, and one thousand quadrillion US Dollars.

The sum of money deducted automatically by the Hongkong and Shanghai Banking Corporation (HSBC) from this single White Spiritual Boy account for bank charges and services for one quarter of the year 2010 was four hundred and sixty four trillion US Dollars. This compares with the total publicly acknowledged Global Gross Domestic Product of about seventy eight trillion US Dollars per year. Of this $78 trillion sum, the European Union accounts for about $16 trillion, the US $15 trillion, and China $11 trillion of the global total.

The sum deducted by HSBC for bank charges and services in one quarter of 2010 from the single White Spiritual Boy account cited above, was more than five and a half times greater than the publicly stated Global Gross Domestic Product. (464 trillion divided by 78 trillion = 464 divided by 78 = 5.9). **We invite comment and analysis**.

The Committee of 300's shadow government world banking system, conducted across mainstream-media-invisible black and grey screens, is composed of thousands of such accounts, many of them named "White Spiritual Boy". The lead signatory for each of these accounts is **Elizabeth Windsor** (Queen Elizabeth II of England - HM Queen Alexandra Elizabeth Mary Windsor II).

Referring to the three document images linked above (**this**, **this** and **this**), the Japan-based financial journalist and White Dragon Society spokesman, Benjamin Fulford, commented on Saturday 14th January 2012: "Many people involved at the high end of the financial system and members of the committee of 300 are telling me the documents I posted with Queen Elizabeth's signature on them are forgeries by Wilfredo Sauren. Other sources also involved at a high level tell me they are genuine. I do not know, but even if they are forgeries, forgeries are usually copies of something real. Even if they are fake, there is still a huge gap between the amount of money that supposedly exists in the off-ledger financial system and the amount that is on the books. That means a lot of zeros will have to be erased before the off-ledger and on-ledger financial systems can be reconciled and reconnected with the real world." Source **here** (14.01.12).

** The term 'G7 Deep State' is sometimes used instead of the (older) term 'Secret Government'. Other terms for the same élite entity are 'Shadow Government' or 'Cabal.' At the time of writing, this negative power group is still just managing to operate out of sight of the Western mainstream media, and above and beyond the law.

**AB comments:** (1) Elsewhere, Benjamin Fulford has explained that Wilfredo Sauren was a forger who used to work with the US CIA. He made a lot of money cashing-in skilfully faked bonds and other high-status financial documentation. Over the years, Sauren has worked under a number of aliases. These are thought to include: Wilfredo Sarabia Saurin, Wilfred S. Sarurin, Yohannes Riyadi and James Riady.

(2) This is incidental, but the codename "White Spiritual Boy" for the shadow government's major off-ledger black screen accounts is suggestive. White Spiritual Boy = WSB = Wall Street Bankers. And in Washington, a hitherto invisible Spiritual Wonder Boy account, privately audited by The Committee of 300 in December 2008, reads as follows in the audit document:

"1. Special Federal Reserve Board Account no. 5525525424AM with account name of Spiritual Wonder Boy and with standing balance of US$ 2, 178, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000 reconfirmed and reconsidered matured audit dated December 1, 2008 that guaranteed and reconfirmed earned worth of US$ 410, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000 from the month of October up to this month in the total of US$ 2, 588, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000, 000."

In plain language, in 2008, the US Federal Reserve Board had an invisible account on its off-ledger books holding 2,588 trillion trillion trillion quadrillion US Dollars. That is 2588 followed by fifty one noughts.

Spiritual Wonder Boy = SWB = Secret World Banking.

**Raw data:** For ease of reference, 142 pages (158,000 words) of raw data about the White Spiritual Boy off-ledger black screen accounts have been compiled on a separate blog page **here**. Included on that page are bank names, account names, account numbers and balances for the following shadow government conduits: White Spiritual Boy accounts, Spiritual Wonder Boy accounts, Spiritual Ally accounts, Spiritual Allied Forces accounts, Morning Star accounts, Spiritual Maria Cristina accounts, Unknown Man accounts, Falcon 1 to Falcon 21 accounts, Croplands account, Walnut account, Peter Stone account and King David account.

**Question:** If such huge sums of money are available to the élite banking bloodlines, why is crippling financial austerity being imposed by national governments on their populations?

And why are the elected politicians in the Western democracies keeping their electorates in the dark about these vast hidden riches, while, at the same time, they are raising taxes and cutting public expenditure on services and infrastructure?

The enquiry must be made: Is there really a global banking crisis at all? Or is the "financial crisis" just a set-up media event to provide cover for massive élite theft?

It is not surprising at all....
My question is : who burns money ?
I guess noone for real. So when the amount of printed money worldwide has increased since the 1980s 20 times, this whole mountain of paper money must lie somewhere in big hiding places (banks)...
The whole thing is a fraud from start to finish to produce fear, agression and turmoil - so the hardcore scum (often referred to as "the elite") can suck us dry as they have always done it. Wake up people, wake up !!!

The question isn't about theft, the question as to why they are hiding quad and yet impoverishing the populations... raising taxes and crying poor... the question is why.... and the answer is obvious.... to create the desperation necessary to make massive war and death and population reduction possible with planned events including biowarfare plagues... we need to stop being polite and cautious and well mannered and tip toeing around the obvious.... Call it what it is.... They have declared war upon us and it is time we take them down. We do not have to identify them.... They are all to blame. Anyone sitting on a hundred billion or more better turn testimony or suffer the wrath of the masses...

The Rothchild's own the Federal Reserve as well as many other banks, with their net worth being around 400 Billion. They run everything, they control the Fed, move presidents into office and are responsible for the assassinations of Kennedy and Lincoln, who both got in their way of the Federal Reserve and Ultimate power. War is the way to keep control and provide financial prowess for this behind it. They keep the masses in a state of depression and strain, to keep them from understanding the truth behind it but also control them. Without wealth there is no power. Those that control the wealth, control the population...the Country. The Rothchilds own the largest banks and own the wealth in Britain. They are the true invisible hand that moves power.
I must say though, as tragic as it is, if you were in their place with their association, you probably would act the same..

POVERTY OUR WEAPON. Read the often maligned PROTOCOLS of the learned Elders of Zion manuscript. Decried repeatedly as a FORGERY by detractors, they simply refuse to respond to the obvious consistencies in the real world as outlined in the protocols. Because NATURE IS CRUEL, WE SHALL BE CRUEL! The Hegelian dialectic of thesis, anti-thesis to achieve a SYNTHESIS or a desired.result is the root of the EVIL, MACHIAVELLIAN philosopy of "THE ENDS JUSTIFY THE MEANS" But unlawful CRIMINAL MEANS, to achieve THE ENDS is the definition of MALICE (Evil, PUNISHABLE OFFENSES) because the most fundamental RULE OF LAW is MURDER IS INTOLERABLE. Justice therefore demands that MURDER committed with MALICE AFORETHOUGHT or
Mens Rea (GUILTY MIND) and KNOWLEDGE that INJURY and HARM would result from the CRIMINAL CONDUCT automatically attaching CIVIL LIABILITY for the PAYMENT of DAMAGES for a WRONGFUL DEATH CLAIM.

Nicely put...but who and where are these people and what court/adjudication system exists to hold them accountable? Talk about a distorted "zero-sum" mentality.Our planetary culture must be an outlier for all the galaxy and most probably, the whole universe as we know it.

Great article, as usual.

Question for you: Who is the real holder of Fed ID 8216 & 8217, if there is such a thing?

We have White Spiritual Boy and all his aliases, Ernest [Bey} Rauthschild,and Adnan Sakli all claiming that title.

1)I have heard White Spiritual Boy (WSB) to represent "Wall Street Bankers". Aliases: White Spiritual Boy, Spiritual Wonder Boy, Morning Star, King David, Prophet Muhammad, Demas and Saint Timothy

2)I have also read where White Spiritual Boy is
"Signatory HM, King Anthony Santiago Martin
Code Name : C3-AM-01, White Spiritual Boy, Spiritual Wonder Boy, Morning Star and King David.
Passport No. UN – 00191-01 (United Nations Organization xx3794724
Postal Address : 133 Rizal St. San Sebastian, Hagonoy, Bulacan 3002, Philippine Island."

3)This "document" purportedly from Committee of 300 was denied by Neil Keenan to be fake and supported by Ben Fulford to be genuine.

4)This "document" has differing addresses at the bottom, depending on who is claiming ownership.

5)Fed ID 8216 & 8217 is also claimed by Ernest [Bey] Rauthschild, who also claims a few other imaginary titles. His "copy" of this "document" has the different address at the bottom.

6)Adnan Sakli claims to be holder of Fed ID 8216 & 8217 and to be owner of BIS. This is something none of the others claim. Also unlike the others, Sakli does not circulate this "document" as coming from him.

So there we have it. Three people claiming the same Fed ID, two claiming to be Committee of 300 and account holders, two claiming to be White Spiritual Boy, one claiming ownership of BIS.

This was a fascinating rabbithole to explore. I would love to get your opinion/viewpoint on it.
